

# TELLEY MADINA

## SUGGESTED KEYNOTE PROGRAM

### WORKFORCE DEVELOPMENT

Telley works in collaboration and consultation on strategies for workforce authorities, including the Louisiana Workforce Commission, to provide consulting and management services relative to Coastal, Restoration, and Conservation workforce solutions relative local and federal legislation.

---

### POLICY, LOBBYING AND ADVOCACY

Telley has cultivated and managed hundreds of relationships with candidates from Presidents of the United States to Judges to Constables. Using his experience over 20 years he shares with small groups and large conference, alike, how to leverage those relationships to move toward their goals.

While he has established himself as political strategist, he has built a solid reputation as a business leader. Having guided clients through significant industry challenges including the aftermath of Hurricane Katrina, the BP Oil Disaster, sustainability of impoverished people in Coastal Regions and leading the engagement of minority communities for COVID-19 testing and vaccination.

---

### PHILANTHROPY AND VOLUNTEERISM

Telley is a man of the people that has dedicated his life and career to working on behalf of the people and places that matter most to him, his beloved 7th Ward, the City of New Orleans, the State of Louisiana and disenfranchised communities across America.

### ABOUT TELLEY

Telley is a strategist, businessman, and lobbyist he could use his skills for his own self-enrichment, but instead, he has devoted his expertise to others. Whether it's close to home in his beloved 7th Ward of New Orleans, across the state of Louisiana or wherever disenfranchisement tarnishes the American dream, he is there to advocate for the people.
